### Camus, The Stranger

In UK it is titled The Outsider and in the US it is known as The stranger. For Meursault the world was the only truth and nothing subtler existed for him. When at

Contrary to that belief, just because Meursault is an emotionless silhouette of a man doesn't mean he is immoral or evil. He does not think much about events or their consequences, nor does he express much feeling in relationships or during emotional times. That is why the story is tragic.

## **The Stranger Study Guide**

He does not question what things would make his life worth while, but he questions why he should even question the things that would benefit his life. Later, on his own, Meursault tells the reader that he simply was never able to feel any remorse or personal emotions for any of his actions in life. At her funeral, he expresses none of the expected emotions of grief.

### **Camus: The Stranger (Analysis)**

He is very different from Meursault. The dramatic prosecutor denounces Meursault, claiming that he must be a soul-less monster, incapable of remorse, and thus deserves to die for his crime. Few persons seemed to take into account the fact that those young men had plenty of reasons to wonder, and that their attitude also implied that thought could be more real than any action, once its authenticity became evident.
