BHAI PHERU, GURDWARA

This marked a new chapter in the training and development of a new generation of law enforcement officers. Originating from the Urdu language, it was used to denote a rank in the British Indian Army until 1965.

HARIMANDAR

The principal role of the contingent is to be a special guard force, and it is currently used as a counter-terrorist force.

HARIMANDAR

The police in Malaya from their inception were called upon to undertake military operations. Gurkhas occasionally lead police senior officer trainees in runs and other physical training.

A Sketch of the Origins and Development of the Police in Malaya from 1786

See Khushwant Singh, *The Sikhs*, London, 1953, p 83. Members of the GC are trained to be highly skilled and are selected for their display of strong discipline and dedication in their tasks.

Men in Blue: A History of the Singapore Police Force

Training from external agencies were also received from the SAF Medical Training Institute for medical courses. She said she saw his story as a portal to that of the Sikh diaspora in Singapore. The morcha was pledged to nonviolence and every day volunteers offered themselves for arrest.
