## Drawing a Realistic Portrait with Graphite [8.5/10]

This is the awareness that they own this original work of art and only they own this; the special blend of ideas, colors, and style to produce this particular painting.

## Realistic Portrait 1 of 8

The Cons are the projects or portrait step by step palette is big and from different expensive brands such as Faber castel polychromos, caran d'ache pablo, caran d'ache luminance and prismacolor. Moving to the left, continue applying all the colors used so far to fill in the forehead. I could have finished without the Pablos, but this gave me an excuse to get them since I've been looking at them for a while, and I'm not sorry.
