Marxism: A Method, Theory and Practice

How would you have interpreted the fact that Reagan got elected this November? Catholicism, as well as Confucianism, an ideology of the slavocracy, preaches the theory of heavenly mandate. The tendency to escape from revolutionary Marxism dominates the souls of intellectuals, as they view the will of the organised struggle as a threat to their individual being. Only with clarity can we arrive at a more solid foundation for revolutionary work.

Peter Binns: The Marxist Theory of Truth / Radical Philosophy

Bible - Unity's founders, Charles and Myrtle Fillmore, considered the Bible to be history and allegory. For the working class only marxist theory has this ability.

Austro

One tendency is metaphysics, seeing things only in absolute yes or no, black or white, good or evil terms. .

Marxism and religion

The struggle between materialism and idealism is a life and death struggle with tremendous implications in class struggle.

Marxism

This is the same way we look at the correctness of Marxism. Much of what is the case for interventionist marxism applies for totalistic marxism too. In doing so he of course puts science in a completely different mould from verificationists or falsificationists, who both see the connection between truth and falsity and scientificity as indubitable.

Marxism and Historical Practice (Vol.I)

But in this section we are looking at the question more methodologically. Followed to its logical conclusions however, it revealed a glaring

contradiction in that labour was paid according to its cost of production, means of bare subsistence enough to work plus its reproduction like any other commodity, whereas all the remaining profits from production went to the capitalist.

Marxism: the unity of theory and practice; a critical essay : Meyer, Alfred G : Free Download, Borrow, and Streaming : Internet Archive

Marx never presupposes his object and his principles, and it is exactly in this way that Marx takes political economy to task: It never asks why this activity takes that form.

Marxism

However, with the passing of time theological schools and groups of various denominations are adopting a different evaluation of the teachings of Freud. But there still remains the intellectualistic residue for the totalists, which effectively has them on both sides of the fence: they believe enough in the properties of pure ratiocination to believe that with it alone the superiority of the proletarian world-view is provable. But cheers anyway
Quote: Step one to understanding the Marxist dialectic is to always look for the contradictions.
