History of the Episcopal Church (United States)

This should not be confused with the name of the church itself, as it is a distinct body relating to church governance. With these funds, controlled by local elites were able to build and operate churches as well as to conduct , maintain the roads, and other civic functions.

Episcopal Church in the United States of America

Readings from the History of the Episcopal Church. Many Church of England clergy remained loyalists as they took their two ordination oaths very seriously.

Vol. 64, No. 3, September 1995 of Anglican and Episcopal History on JSTOR

Note: The number of members given here is the total number of baptized members in 2012 cf. By 1963, many church leaders felt more comfortable speaking out in support of racial equality. In Maryland, Jonathan Boucher took two pistols into the pulpit and even pointed a pistol at the head of a group of Patriots while he preached on loyalism.

Vol. 64, No. 3, September 1995 of Anglican and Episcopal History on JSTOR

From there, the church spread throughout the American colonies.

Specific Denominational Histories

When the clergy of elected as their bishop in 1783, he sought in England.
