Section 6: After the Battle of the Little Big Horn

There was no other way to make a stand or maintain a stout defense. The clash between the two empires took place near Carrhae. Despite being heavily outnumbered by Persian soldiers, the tactics of the Greeks allowed them to outmaneuver their enemy in the narrow streets.

Major Civil War Battles and Their Consequences

Despite this, Moore issued orders for his troops to treat the locals as harsh as possible and to take any provisions they needed for three weeks. But soldiers going over the field in the days following the battle recorded detailed descriptions of the mutilations, and drawings made by Red Horse leave no room for doubt that they took place.

Story of the Battle

Sitting Bull became more determined to continue his defense of his way of life and of the hunting lands of eastern Montana. Likewise, many roving bands of hunters and warriors did not sign the 1868 treaty.

Battle of the Big Cross

The vicious and undetected forces trapped Hasdrubal in Metaurus. They had been preparing for war by collecting Winchester repeating rifles and plenty ammunition.

Section 6: After the Battle of the Little Big Horn

The first sighting came only a minute or two after the first group began to ride toward the Hunkpapa camp—about five minutes past 3. The Hunkpapa woman known as Good White Buffalo Woman said later she had often been in camps when war was in the air, but this day was not like that. For example, near the town of Garryowen, portions of the skeleton of a trooper killed in the Reno Retreat were recovered from an eroding bank of the Little Big Horn, while the rest of the remains had apparently been washed away by the river.
