### Ashmolean Museum: PotWeb

Deruta Dinnerware - Tuscan Majolica - Vietri Ceramics - Deruta Candles. Engagingly decorative, often spectacularly colorful, sometimes whimsical or frankly bawdy, these magnificent objects, which were generally made for use rather than simple ornamentation, present a fascinating glimpse into the realities of daily life. Also featured is a wide-ranging introduction by Luke Syson that examines how the function of an object governed the visual and compositional choices made by the pottery painter.

### Maiolica: Italian Renaissance Ceramics in the Metropolitan Museum of Art

Completely revised and expanded, this book offers a wealth of new information about the Getty Museum's superb collection, which spans more than four centuries of Italian ceramic art.

### Maiolica: Italian Renaissance Ceramics Exhibition Catalogue

Ancient potters in Egypt, Mesopotamia, Greece, northern India, and the high regions of Central Asia frequently decorated wares with impressed or incised designs. Thought to have been introduced by the crusaders at the as trophies demonstrating victories over the pagans by powerful Christian forces. Gerald Cantor Chairman of European Sculpture and Decorative Arts, The Metropolitan Museum of Art, New York.
