Erbil Iraqi Kurdistan

Of course, as anywhere, some rules do apply.

Erbil Travel Guide

On the west they extend in a wide belt beyond the course of the Euphrates, and, in the , in the districts of and Divriği. The famous old Saray is situated in the center of the city, while many museums are scattered around too.

Iraqi Kurdistan

When traveling anywhere in Iraq it is not advised to travel without insurance. You can expect to find locals coming out to prayers five times a day here.

Iraq International Travel Information

According to the , Kurdistan covers around 190,000 km² 73,000 sq. We sat for a while and upon leaving I asked how much we owed and the men held their hands to their chest and said it was a gift.
