Hope you will like it and give your comments and suggestions. The equilibrium of this stupendous industry is preserved by the punctual arrival from the United States of a quantity of raw cotton, averaging 15,000 bales weekly, or more than 2,000 bales a day; and it depends also upon the equally constant weekly departure of more than a quarter of a million sterling worth of cotton goods, exported to foreign parts. They form an important part of the collective contribution to political science, which has conferred on their author a reputation, the endurance of which, it may be confidently predicted, is as secure as that of any among the men whose wisdom and prescience have promoted the civilization of the world...
