## DICCIONARIO JAPONES

В центре его романов — нравственные искания послевоенного поколения. Finally, she storms out of the house and drives away, not knowing where to go.

However, the film made it seem as though Japanese atrocities were responsible.

## The Nanking Hoax:A Historian Analyzes the Events of 1937

Historians would do well to borrow one of the basic premises of ethnomusicological research: that one can understand a given society or culture through the study of musical sounds, performance, aesthetics, training, and instrumentation. His exaltation of the vernacular language was unconventional for that time, but notice here that Miyake targeted the language of the middle class, as if he foresaw the later debate about the formulation of the standard language.

## DICCIONARIO JAPONES

Shiba has argued that the Japanese state has abandoned political realism, which developed in the Edo period 1603—1867 and gained momentum in the aftermath of the Meiji Restoration of 1868. For instance, in July 1942, the Office of Public Opinion Research conducted a poll to ask American respondents to pick as many descriptive terms related to the national characters of Japan and Germany as they liked.

When I returned to Japan there were no dance halls, so I joined the Shōchiku Light Music Orchestra and we made the rounds at such places as the Asakusa Electric Hall and the National Theater.

## **Memories of War: The Second World War and Japanese Historical Memory in Comparative Perspective**

Takahashi did enjoy a cordial visit with the Schiff family in New York and then returned home in January 1905, after eleven months abroad. At the same time, while continuities from the past such as patriarchal hierarchies became less visible in the foreground, it nevertheless remained a salient part of family life especially in rural Japan. During discussions about Nanking, some interviewees digress, shifting to the bitter conflict fought in Shanghai.
