### Gadsden County, FL

We give permission to companies to use our roadways in order to complete projects, however, if you see a road being damaged by the use of a company, please call our office immediately so we can check for the proper bonding and permitted uses. In other cases, MDE reviews the application and makes a recommendation to the Board as to whether a license should be issued. This included over 350 miles of line and 9,455 utility poles.

### Public Works

Tammany for road and drainage concerns. Public Works is responsible for the administration of policy and objectives, responding to citizen's needs, providing department guidance and direction, reviewing policy matters, preparing and monitoring capital projects and ensuring consistent day to day maintenance of county roads and storm water infrastructure. For more information about a submitted request, please call the appropriate maintenance area or our main line.

### Suffolk County Government > Departments > Public Works

The Permit office can tell you if the company has a permit to operate. In addition, the department is responsible for the operation of the Suffolk County Transit System as well as controlling mosquitoes that transmit disease and impact the enjoyment of outdoor activities.

### Board of Public Works â€” City of Terre Haute Government

You must call the municipality in which you reside for assistance with any of your maintenance needs.

### Board of Public Works â€” City of Terre Haute Government

The street selection for this project varies in that the streets in worst condition, though unlikely to be prioritized in other programs, will be repaired first. Board of Public Works Inventory - Records in the Library of Virginia An updated Board of Public Works Inventory, including additional maps and drawings not previously available online, will soon replace this version. In some cases, the Board allows the Maryland Department of the Environment MDE to directly issue a license.

## **Hannibal Board of Public Works Electric Distribution System Field Inventory**

Learn straightforward approaches to control capitol expenditures.

### **Public Works**

Pavement maintenance includes the use of ARAM, slurry, chip and other types of seals.
