How to Be a Better Online Teacher

The artistic side refers to the individual delivery of the method, since every teacher has their own interpretation, personality and style. It is a place for students to post their responses to question prompts, share their reflections on the course content, reply to each other, and contribute to in-depth learning.

Tips for Taking Online Classes: 8 Strategies for Success

To make sure that this upcoming school year runs smoothly I need to be sure that both student and parents have the skills and knowledge to access classroom assignment and informational materials successful. Instead, give them hints, pointers and resources that will help them to come up with the answers on their own.

Ebooks and Guides

This enables each teacher to become more expert on their topic. Formative assessments can take place at one point in a unit of work or regularly throughout a lesson. Set expectations on how often or how much students should engage with one another e.

9780205295319: Online Teaching Guide, The: A Handbook of Attitudes, Strategies, and Techniques for the Virtual Classroom

My classroom teaching strategies didn't adapt well to the distance, so I wasn't able to give my students my best.

A List of 107 Effective Classroom Teaching Strategies (2021)

There are many opportunities and tools for our use. She is the author of the funny, but practical book for teachers, How to Handle Difficult Parents Prufrock Press. I truly enjoyed this article! Students sit in two concentric circles with the inner circle facing the outer circle.

16 Effective Classroom Management Strategies & Techniques

They can see if there are conflicts for example, one house has only one computer, and a 2nd grader and a 7th grader in the house both need to be on it at 1:00. I agree with you Kavita, the need to get the kinks out of remote learning from the beginning. However, in the flipped classroom model, learning is flipped.

10 strategies for online learning during a coronavirus outbreak

Students need to know what is expected of him or her while learning and parents need to know what he or she would need to do to help support that learning from home. Thank you for this article.
