I did not particularly care for this book, but it does a good job of allowing the reader to feel the oppression of the characters, as well as the hope and achievement that they acquire at the end of the novel.

### Dark Princess by W.E.B. Du Bois

Shin-Ae has decided to live her life alone after growing up in an environment that is less than ideal. The knight Zagato fell in love with Emeraude and thus, he starts to try to bring down the pillar system. The two were great parents and their marriage survived some dark times up until their death, making the pair is pretty perfect for one another.

### THE DARK PRINCESS: A ROMANCE, W.E.B. Du Bois

This list is beginning with a romance between none other than a vampire and his maid. I did not particularly care for this book, but it does a good job of allowing the reader to feel the oppression of the characters, as well as the hope and achievement that they acquire at the end of the novel.

### Dark Princess: A Romance (Banner Books) book by W.E.B. Du Bois

Schwab This twisty dark fantasy from V. Princess Mononoke is a fantastic film about a young prince named Ashitaka who defends his people after a ferocious demon boar attacks his village.
