Emmanuel Levinas (Stanford Encyclopedia of Philosophy)

Nothingness, understood as pure absence, may be thinkable, but it cannot be experienced. While Levinas is perhaps better known for his strictly philosophical corpus, including the highly influential *Totality and Infinity* and its sequel, *Otherwise than Being or Beyond Essence*, his Talmudic commentaries have generated great interest in both theological and philosophical circles.

New Talmudic Readings : Emmanuel Levinas : 9780820704036

Demanding Judaism; TALMUDIC READINGS; 2.

The priority of present-time, concentrated into an extended now-moment is opened up through sensibility and affectivity. Utility, virtue, and duty are crucial to ethical debates.

New Talmudic Readings Emmanuel Levinas

I, Chicago: University of Chicago Press, 1974: lvii—cxxii. Humane Urbanism Rabbinically Conceived It is always refreshing to read a book that renders the ancient Judaic textual tradition relevant to the complexities of modern living. Consequently, vulnerability and sensitivity to trauma not only provoke retreat into self but heighten our awareness, however tenuous, of our connection with the other s , and they motivate our bearing witness.
