## When Congress won the American people's respect: Watergate

Together they were a sharp rebuke of his conduct in office, as each one concluded with the same declaration, that: In all of this, Richard M.

**The Wars of Watergate by Stanley I. Kutler: 9780307834058**

Published in October 1973, it traces the origin of the impeachment power, cites all the instances in which that power had previously been used by Congress and gives a detailed description of Andrew Johnson's 1868 Senate impeachment trial. More broadly, their release marked a turning point in support for the president, with the crudity of what was revealed, and of what was masked by the repeated phrase expletive deleted, beginning an erosion of support among Republicans. An index of some of the 'main players' with pen pictures might have helped as would more and better photographs of the participants, assuming there still are any.
