Education and Children

Thursday officials from the 17 communities, three in Oakland and 14 in Wayne, heard Duane Egeland, director of engineering for the Wayne County Department of Public Works, outline the plan chosen by the federal government from about 10 available.

Nova Scotia Legislature

It is right that we ask the Government what its solutions and approaches to those issues will be.

Find care

That is our job and our democratic duty. The process is that we examine - we have set those standards - events on a day-to-day basis, called a peer review and audit process.
