7 Steps to Raising a Bilingual Child by Naomi Steiner (2008, Trade Paperback, Special) for sale online

There was also other interesting stuff of how bad it is for a kid to abandon their native language, ie less likely to function on a high literacy level in their second language, which is the reverse of what I was expecting, but it's true nonetheless. As a developmental and behavioral pediatrician now living in the United States, I was initially confident that I could find the information I needed to make educated choices about raising my children to be bilingual, or even multilingual.
