### Conferences, Workshops, and Roundtables

Experience in the public, private, community or voluntary sectors and knowledge of good governance is desirable.

### Professor Graham Saunders

He will meet her in an hour. In February 2020, In the Name of the Nation: India and its Northeast, by Sanjib Baruah was published by Stanford University Press. In November 2018, Christian Crouch was appointed to the Council of the Omohundro Institute.

### Pulse report: Ethics in arts sponsorship

In August 2020, Kristin Lane was elected as a Fellow of the Society of Social and Personality Psychology. You can also consider recruiting some local speakers.

### News and Events

Respondents represented a broad range of artforms, from dance and music, to theatre and museums. They are looking for active, hands-on doers.

### What's On Guide October 2019

The festival included a conference at which Gann lectured on Totalism, a 1990s movement in which he was centrally involved. In July 2020, her work was included in The Current Thing, edited by Caspar Stracke and Keith Sanborn. Three seminar presentations to Arts Council England staff on the history of their organization, presented by the AHRC funded Giving Voice to the Nation team.

### Conferences, Workshops, and Roundtables

Invite journalists within your chosen niche to cover---and maybe even attend---the conference. Over the past several years—and particularly in 2020—the world has experienced significant shifts in its sociocultural, economic, and political landscapes.
