Sri Lanka and Japan conclude the 2nd Policy Dialogue virtually

About half or more social media news consumers in each of the eight countries surveyed say they are familiar with the sources they see on social media.

Analyzing the Media's Role in the Political Process

When it comes to left-right ideological differences, though, there are divides for only three outlets SVT, Aftonbladet and Nya Tider , and they are generally smaller in magnitude than the divides based on populist views.

Japanese politics and new media: Lessons from the recent election

The rule is so strict that two ministers in Abe's cabinet last year had to quit in quick succession for giving things such as melons, crabs and even potatoes to voters in their constituencies. Much of the modern electoral process is concerned with winning swing states through frequent visits and mass media advertising drives.

Air Force medical group in Japan urges patients to keep personal data off social media

Main sources used for news in Sweden When it comes to the news sources people say they turn to most frequently, the divides between adults with and without populist leanings are not as strong as those seen for attitudes about the news media more generally. The lay-judges are not acting as a jury, but as a part of the judicial team in which six lay-judges will work with three professional judges to determine a verdict.
