Myth and the Baby Boomer

The writers in Boomer Girls touch themes that all generations experience but this generation can express for all of us—in ways that quietly bred Emily Dickinson, say, never could—what it is to be a girl baby, then adolescent, then woman growing up in America.

Baby boomers are killing themselves at an alarming rate, raising question: Why?

There are a few different ways to enhance my work and make it my own by doing a few simple things suggested by Seuss.

Myth and the Baby Boomer

Our Top Topics for Writers addresses the most popular and pressing issues, including literary agents, copyright, MFA programs, and self-publishing. Midlife's insights—whether they be physical, spiritual, or emotional—are indeed startling, and who better than poets to deliver them? Although both these groups of people were born into a time of unprecedented population growth, this is pretty much the only thing they share. Your dogged determination and ambition has led to younger generations thinking of you as a workaholic.

Myth and the Baby Boomer

A retiree in a Pittsburgh suburb living on disability checks, he was estranged from friends and family, mired in credit card debt and taking medication for depression, cholesterol, diabetes and high blood pressure. The suggested changes made above shall further improve the services provided by the Center for Disability Services.

Sarah Morgan's Writing Portfolio

He was also the one who loved peanut butter more than anyone else in my family. I may be way off track but I found myself confused.

February 2014 Book Discussion: Another Creature by Pamela Gemin

Watkins explores with clients achievable activity goals such as climbing the stairs at work or parking at the far end of the grocery store lot.
