## List of programmes broadcast by Sky1

Friend the Minister will give my observations long and careful consideration before we embark on the route to conditional fees, with all the misery that that is likely to cause. Then there is the question of imposing a veto on broadcasting any matter, which is the responsibility of the Postmaster-General. It is something of a dog-in-the-manger attitude for the B.

## Evidence

We have less television than is technically possible or than the people deserve, and if there is to be enough television it has got to be paid for at the expense of the sound system. Mordaunt thinks quickly on her feet too, offering to give up the final session to the protestors. Of course, there were also the visits on significant dates.

## Time Gentlemen, Please!

This is the A12 which leads from the Bow Flyover junction with the A11 and takes traffic down to the junction with the A13 and the Blackwall Tunnel under the River Thames.

## Western District Families

Directly opposite the Lord Nelson, and now in Westferry Road is another closed fire station. We need to look at a collaborative approach to making sure we work together to provide the competitive environment here in Manitoba that is conducive to attracting the jobs to our province.

## Inside Politics: Shortening telescopes. . . election ahoy

Incompetent or greedy lawyers will not find it more difficult to advise that a case has a 75 per cent. That assistance comes from a speech made last year: Supporters of legal aid must never cease to emphasise that it is a highly successful public social service.
