## Rules Implementing Section 405 of the Surface Transportation Assistance Act of 1982

For complete classification of this Act to the Code, see Short Title of 1991 Amendment note set out under , Transportation, and Tables. Sometimes they are a way of recognizing or honoring the sponsor or creator of a particular law as with the 'Taft-Hartley Act'.

### 29 CFR § 1978.105

One, a reference to a Public Law number, is a link to the bill as it was originally passed by Congress, and will take you to the LRC THOMAS legislative system, or GPO FDSYS site.

### 23 U.S. Code § 313

It established requirements intended to give preference to the use of domestically produced materials on any procurements funded at least in part by federal funds. On these highways, federal width and length limits apply. .

### TOPN: Surface Transportation Assistance Act of 1978

This article needs additional citations for. Instead, those who classify laws into the Code typically leave a note explaining how a particular law has been classified into the Code.

### THE SURFACE TRANSPORTATION ASSISTANCE ACT OF 1978

Sometimes classification is easy; the law could be written with the Code in mind, and might specifically amend, extend, or repeal particular chunks of the existing Code, making it no great challenge to figure out how to classify its various parts.

## **29 CFR § 1978.105**

The requirements under this section shall apply to all contracts eligible for assistance under this chapter for a project carried out within the scope of the applicable finding, determination, or decision under the et seq. The legislation was championed by the to address concerns about the surface transportation infrastructure highways and bridges. Each of these individual provisions would, logically, belong in a different place in the Code.

## **29 CFR § 1978.105**

Provisions in the further defined the National Network. Both sides will have an opportunity to present their evidence in a recorded hearing before an administrative law judge ALJ.

## **23 U.S. Code § 313**

This is the first act, as such, which combines authorizations for highways, highway safety, and public transportation in one piece of legislation. Why can't these popular names easily be found in the US Code? Laws acquire popular names as they make their way through Congress. Our Table of Popular Names is organized alphabetically by popular name.
