RACER Magazine Information Center

He says I'm the One. I try to keep up to speed on all that is going on in the racing world and I enjoy reading the coverage in RACER magazine and online at RACER.

Get Traffic Racer

This is a standalone, but it is highly recommend that you at least read book one, two, three, and six in the REAL series as they are connected in the family terms. Have you ever watched an F1 race? I couldn't SOAK IN THESE SEDUCTIVE WORDS enough. Colors: Red, Sky blue, black.

RACER Magazine Information Center

I'm Racer Tate and this girl is mine. .

RACER

Oh did Racerstay true to the beloved Real series.

Star Wars: Episode I Racer

» Summer 1998 - the opening stages of Le Tour de France are relocated to Ireland. Rebecca soon sells Granny on the idea of turning the house into a guest house for travelers looking for free accommodations. But overall I found her character to be enjoyable.

The Racer (2020)

For Racer, there is no one else in the world that can make him feel the way Lana, but just like he likes to call her- crasher makes him feel. Remy is still my favorite of the series, but I really loved Racer too.
