ESCRITOS SOBRE LITERATURA ARGENTINA

Ensayos y estudios de Literatura argentina, Galerna, Buenos Aires, 1971. Siempre me interesa mostrar la tradición. Los ejes para el trabajo se pueden agrupar tomando un cuadro con los siguientes campos: · Escritor · Contexto histórico de su trabajo · Obras más importantes · ¿En qué causa política estuvo o está involucrado? La escritura de Hugo Foguet.

ENSAYOS

Cada copia deberá llevar, en la primera página, el título de la obra y el seudónimo que decida utilizar el autor. Blake, por su lado, mediante un intento de retrotraerse a un estado no escindido, no dividido entre naturaleza y cultura, traza una crítica de los hechos objetivos del presente reivindicando esa hipóstasis de la unidad que llamó imaginación.

¿Se puede establecer una genealogía distinguible para poder señalar quiénes trabajarían hoy en la Argentina a la literatura en líneas similares a las que transitó Arlt en la primera mitad del siglo pasado? Al esfuerzo e interés de este equipo de investigadores y a su inteligencia para sortear los problemas surgidos durante el proyecto se debe, en gran medida, la edición de este y otro volumen. Esta actividad propone revelar este interrogante a través de la exploración de la obra de Juan Carlos Onetti. Fin del ritual, Joaquín Mortíz, 1980.

Irene Vallejo gana el Premio Nacional de Ensayo por 'El infinito en un junco'

Sin embargo, la ensoñación de una muerte romántica, anidada en su espíritu germano, toma su lugar en la narración y se une al otro deseo no realizado, el viaje al sur. En: Pilquen, sección Ciencias Sociales, Vol.
