6 Best + Free Latin Courses & Classes Online [2021 JULY]

Especially for learners who are new to Latin. Students who are considering further work in the field, either in graduate school or in independent study, should take both Latin and Greek to the 300 level, continuing with both languages in each term of the junior and senior years. These components enable the statements of learning and key skills to become a reality for these students throughout their three-year junior cycle.

NCCA Curriculum Online Overview: Course

Students will begin reading Attic prose as quickly as possible. It is a free language-learning platform that can be downloaded on mobile devices.

Junior Latin Course

The course focuses on the relationship between ideas about justice, codes of law, and legal practice courtroom trials, arbitration, and the development of legal theory. Flower LAT 338 Latin Prose Fiction Fall LA A critical study of Latin fiction such as Petronius's Satyricon and Apuleius's Metamorphoses Golden Ass.

NCCA Curriculum Online Overview: Course

Students should be aware that most graduate programs in Classics will demand a more extensive training in the ancient languages than these minimum requirements. This course is available online in mostly text format and is completely free which is why it is included as the best online Latin course.

6 Best Online Latin Courses for Beginners

From 2022, all junior cycle subjects and short courses have been revised and the Junior Certificate has been phased out. Readings will include a wide variety of prose and poetry from the fourth to the 14th centuries.

NJCL Latin Honor Society
