What this film tries to do is to re imagine the humble Kappa as a kaiju a giant monster, in the vein of Godzilla. But it does not make a sound at all, just beautiful colors like chrysanthemums in the sky.

**小达摩和小天狗 (南海出版公司): 2009 | 書誌詳細 | 国立国会図書館サーチ**

. This book is a great introduction to the Japanese practice of autumnal moon viewing and includes particularly beautiful illustrations of the light of the moon. .

**Spring Break Children's Film Festival**

This is a perfect book for older kids, and their parents.
