**Pu**

Accordingly, the Northern Yuan lasted either 20 years or 34 years, and its last ruler was either the or the. Jiangsu, for example counted 1905 as year 4396 making 2491 BCE the first year of the Chinese calendar , whereas the Minbao the organ of the reckoned 1905 as 4603 first year: 2698 BCE.

## Yellow Emperor

His first wife bore him two sons.

## Dynasties in Chinese history

During the , non-Han rulers also claimed descent from the Yellow Emperor, for individual and national prestige, as well as to connect themselves to the Tang. Similarly, all ethnic groups that were active within the above geographical boundaries are considered ethnicities of China. On 3 November 1911, as a response to the ongoing Xinhai Revolution, the Qing dynasty issued the constitutional which limited the power of the Qing emperor, marking the official transition to a constitutional monarchy.

## Dynasties in Chinese history

Huangdi's cult became prominent in the late and early , when he was portrayed as the originator of the centralized state, as a cosmic ruler, and as a patron of esoteric arts. Politically, the word is taken to refer to the regime of the incumbent.

**Pu**

As sovereign of the centre, the Yellow Emperor is the very image of the concentration or re-centering of the self. Ji Yun argued that this was probably a false attribution. Although the traditional did not mark years continuously, some astronomers tried to determine the years of the life and reign of the Yellow Emperor.

## Yellow Emperor

Huangdi is sometimes said to have been the fruit of, as his mother conceived him as she was aroused, while walking in the country, by a lightning bolt from the. The chronological tables found in chapters 13 of the *Shiji* represent all past rulers — legendary ones such as Yao and Shun, the first ancestors of the Xia, Shang, and Zhou dynasties, as well as the founders of the main ruling houses in the Zhou sphere — as descendants of Huangdi, giving the impression that Chinese history was the history of one large family.

## Pu

The modern territorial claims of both the People's Republic of China and the Republic of China are inherited from the lands once held by the Qing dynasty at the time of its collapse. Dynasties of China were not limited to those established by ethnic—the dominant Chinese ethnic group—and its predecessor, the tribal confederation, but also included those founded by non-Han peoples.
