Books

My main, and fairly minor, criticism of the book is that the photos are not good quality.

Intensive Review of Endocrinology and Metabolism 2020

Written primarily by distinguished Cleveland Clinic faculty, this detailed and practical review is organized into subspecialty sections, each concluding with a board simulation chapter to build users' test-taking skills. Presented at the Midwest Gastrointestinal disease meeting in August 2002. This is the tablet version which does not include access to the supplemental online content mentioned in the text.

Pediatric Critical Care Fellowship

Program director, Kshama Daphtary, MD, provides an overview of the pediatric critical care fellowship program at Cleveland Clinic Children's. Enhanced eBook version included with purchase.
