## Remnants of Scotland's Oldest Surviving Bridge Found

If you have Scottish ancestry and have purchased a commercial ancestral YDNA37 test then the results can reveal your ancestors place within the eclectic ethnic mix of medieval Scotland. We know that, even half a century after Gerald was writing, King Alexander III kept a royal harpist. Later evidence suggests that the supply of ships for war became linked to feudal obligations, with Celtic-Scandinavian lords, who had previously contributed as a result of a general levy on landholding, coming to hold their lands in exchange for specified numbers and sizes of ships supplied to the king.

## Farming in Medieval Scotland

Unlike Ireland and Wales, Scotland had only one king, and far from being invaded by Normans, he was inviting them in, using them as instruments in the assertion and expansion of his own royal authority.
