### Nurse's Quick Check: Diseases, for PDA:... book by Lippincott Williams & Wilkins

Covers just about every disease we are going to encounter in our work. Editorial Reviews Reviewer: Carol E Agana, MNSc, RNP, APRN University of Arkansas Description: This book is a handbook for nurses to carry in their pocket to look up medications prior to administering them.

### 2016 Lippincott Pocket Drug Guide for Nurses by Amy M. Karch

Highly recommended addition to your working library. Assessment: This drug guide makes it easy to locate a particular drug and all the relevant information like adverse effects, drug class, interactions, black box warnings, nursing considerations, and pregnancy category.

### 2016 Lippincott Pocket Drug Guide for Nurses by Amy M. Karch

I had high expectations for this book, I gave it three stars because it fits in my scrubs pocket well and I found most of the medications I looked up in it..

### Nurse's Quick Check: Diseases, for PDA:... book by Lippincott Williams & Wilkins

Student nurses would find this book a great help. Good: A book that has been read but is in good condition. Designed for quick reference at the nurses' station, this handbook presents succinct, bulleted information on 450 diseases.
