More specifically, it instituted a licensing system to license hunters to areas under Dutch control and collected taxes from farming to receive revenues. Importing Confucian teachings to Taiwan laid a solid foundation for the later integration of Taiwan to be part of China by the Qing government. The Dutch, after defeating the Spanish in 1642, physically occupied the island from 1624 to 1662, but never claimed sovereignty over Taiwan.

## Laws, Regulations & Cases

The current Taiwanese constitution was adopted on December 25, 1946 and became effective on January 1, 1947 by the government of the Republic of China in Mainland China. Kua guo jing ying : li lun yu zhan lie fen xi.

## Introduction to Taiwan's Legal System

The latter then leads to another issue: whether Taiwan Island is part of Chinese territory. There are currently a few excellent research guides on Taiwanese law and legal system available in English, although some may be out of date. Students spend most of the time taking notes in classes.

## Executive Yuan

A researcher may also access it online at , a non-governmental website, for free.

**125129237**

It was implemented in Taiwan as the ROC government moved to Taiwan. Without a subscription, a user may still be able to browse the table of contents of most the journals. The best sources for cases are comprehensive online services, such as pkulaw.

## **Introduction to Taiwan's Legal System**

As these laws started to apply in Taiwan, western conception of individual rights and freedoms were gradually exposed to Taiwanese as well. After review, if the Court finds the case is defective, it will send the case back to the original court or order the party to amend the defects. National Taiwan University Law Review 2006- , a law review published by the National Taiwan University Press in English with abstract in Chinese.

### **Supreme Court of the Republic of China**

Different ideas, laws and culture were brought to Taiwan during different time periods. The diagram below illustrates the structure of the Taiwan court system dealing with civil and criminal cases. As a result, the most recently enacted Judges Act does not govern prosecutors.
