The Luigi Galvani Prize of BES.

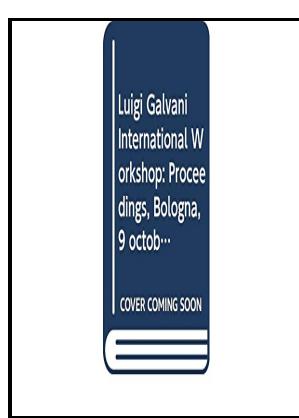

Galvani, Luigi in Contributo italiano alla storia del Pensiero:

Lezioni inedite di ostetricia, a cura di L. Luigi Galvani's path to animal electricity Article in Comptes Rendus Biologies May with 89 Reads How we measure 'reads'Author: Marco Piccolino.

Elford Sparke Langworthy (abt.1774

View the profiles of people named Luigi Galvani. Quotes by others about Luigi Galvani 1 When Aloisio Galvani first stimulated the nervous fiber by the accidental contact of two heterogeneous metals, his contemporaries could never have anticipated that the action of the voltaic pile would discover to us, in the alkalies, metals of a silvery luster, so light as to swim on water, and eminently. You wouldn't think history of science could actually be interesting especially in a book with a not so catchy title , but The Ambiguous Frog is extraordinarily well-written and engaging.
