A busy manager who might not have time to read the full report should be able to get the gist of the whole report by reading the Summary. In another flashback to March 2003, Mitchell and Jessen waterboard Mohammad. Please by removing unnecessary details and making it more concise.

## COVID

After you write your topic sentence in the body paragraph, provide evidence found in your research that supports your topic sentence. The Executive Summary report template simplifies writing comprehensive overviews with sections for your objective, audience, competition, risk and opportunities, and conclusion. Don't just call them Appendix 1 or Appendix 2.

## Other reporting options

Let someone reread the contents of your report to effectively erase any traces of doubts and discrepancies in your work. Then, each body paragraph should support this point, such as showing how often customers will put something extra into their carts at the point of sale, how often they do so in the aisles, and the difference in sales when a particular item is moved from one place to another. Choose a topic you find interesting.
