George Osborne: Mais Lecture

There are precedents for taking a much longer-term approach to paying off significant debts — the most notable being those arising from the Second World War, which the UK only finally repaid in 2006. If the Chancellor chooses not to abide by that recommendation he or she will have to explain their reasoning to Parliament, but it would be a brave Chancellor who chose to do so. Monetary economics in the 1990s Basingstoke: Macmillan, 1996.

Prof Geoffrey Wood

Our banks became more leveraged than American banks, and our households became more indebted than any other major economy in history. This is particularly true when it comes to consumer spending and business investment, and as the Governor has made clear, the Bank of England tries to take these effects into account when making its forecasts.

Prof Geoffrey Wood

Indeed, some existing social policies and programs implicitly and indirectly incorporate social ties as mechanisms for enhancing population health and well-being. Labour market reform and currency pegs ECB Working Paper, 2004. For example, many programs concerned with health of the elderly e.

Prof Geoffrey Wood

Journal of Gerontology: Social Sciences. Studies on adolescents often point to the meaning attached to peer groups e.

Prof Geoffrey Wood

Captors use social isolation to torture prisoners of war—to drastic effect. Current problems with financial control follow a decade of failed and failing projects. We should consider learning from this example, and investigate if there is appetite and the potential for the UK to issue gilts with much longer maturities.
