**Archaeology — All books coming up — Kete Books**

First published in 1979, *Prehistoric Man in Palliser Bay* consists of 14 papers by 9 authors, detailing the results of a pioneering, multifaceted, archaeological research programme carried out between 1969 and 1972 in the south-eastern coastal part of the North Island of New Zealand.

Aotearoa Books

He has contributed scholarly evidence to the Waitangi Tribunal for both the Crown and Māori claimants for hearings of Ngāi Tahu, Muriwhenua, Te Rorora and Ngāti Kahungunu ki Wairarapa.

## The abandonment of Palliser Bay

Museum of New Zealand Te Papa Tongarewa Technical Report 8, New Zealand Journal of Archaeology 4: 77–109.

## The abandonment of Palliser Bay

Museum of New Zealand Te Papa Tongarewa Technical Report 3. The resurrection of the prehistoric dead. He built a comparative faunal collection, particularly of fish remains, at Otago University and his methodology for fish identification is still widely followed in New Zealand and the Pacific.
