The Arrogance of Race

George Fredrickson asks the big questions and explores them with insight and in rich context. The Arrogance Race is packed with information ad insights on the evolution systems of inequality and will be read and admired by scholars and students across academic disciplines.

The arrogance of race : historical perspectives on slavery, racism, and social inequality : Fredrickson, George M., 1934

Since most of these I am unable to read, I used the numerical maps and graphs from the Hartness Guide to Statistical Information under the slavery tab, Mapa 146 SN. The chapter focuses on the War on Drugs, which ranges from policies carried out to ostracize African Americans to straight unfair treatment from police officers — most of them being Caucasian. He is author of The Inner Civil War, The Black Image in the White Mind Wesleyan Paperback , and White Supremacy, for which he won the Ralph Waldo Emerson and the Merle Curti awards; this book was also a Pulitzer Prize runner-up.
