Miracle of Chile

Lindsey and his supply-side friends never ask themselves how much economic disparity is really necessary, and never show why the income tax shouldn't be the mechanism to mitigate--not eliminate--economic inequality. Reagan supported the large increase in defense spending and was unwilling to reform the basic entitlement programs, and Congress was unwilling to make further cuts in the discretionary domestic programs.

The Short, Unhappy Life of a Libertarian Paradise

But the Republican tax plan is a radical and unprecedented experiment in fiscal policy, and time tends to make a mockery of certainty. It will make the U. Some Kansans interviewed by a journalist and Burdett Loomis, a political scientist at the University of Kansas, speculated that Brownback hoped that the success of the tax cuts would help launch another campaign for the presidency — one more successful than his first attempt.

Taxation and Economic Growth

Estimated Effects of Eliminating Manufactured Goods Tariffs The United States has generally low tariff rates.

7 Ways Entrepreneurs Drive Economic Development

Periods of rapid innovation historically have been accompanied by periods of strong economic growth.
