Vie de Plotin

La Vie de Plotin, t. There were Gnostics among Plotinus's own friends, whom he had not succeeded in converting Enneads ch.

Plotin et la vie intérieure

They despise and revile the ancient Platonic teaching and claim to have a new and superior wisdom of their own: but in fact anything that is true in their teaching comes from Plato, and all they have done themselves is to add senseless complications and pervert the true traditional doctrine into a melodramatic, superstitious fantasy designed to feed their own delusions of grandeur. In , and especially , the goal of henosis is union with what is fundamental in reality: the One , the Source, or. Plotin : bio, articles, citations

The Gnostics are very critical of the sensible universe and its contents, and as a Platonist, Plotinus must share this critical attitude to some extent. I am not going to detail all typographic errors, disagreements concerning translation or notes and the like; but I would like to point out a few disagreements of different kinds: i On p.
