The House was resumed by The Lord Chancellor. Report from the Committee Appointed to Enquire into the Nature, State, and Condition of the East India Company, and of the British Affairs in the East Indies. If he wants to learn the art of war, let him go to Clive.

**Report from the Select Committee appointed by the House of Commons, assembled at Westminster in the [fifth]**

Committee Appointed to Enquire into the Nature, State, and Condition of the East India Company, and of British Affairs in the East Indies. His gains are now recorded; and not only, not condemned, but actually approved by Parliament. Scorn of his enemies and even of his judges escaped, yet did but make him more formidable; and while the Ministers and the Parliament sunk before him, he shone eminently as a real great man, who had done great things, and who had the merit of not having committed more perhaps not worse villanies, when it appeared that he had known how to be more guilty, even with impunity.
