## Sunderland Wetherspoons' new beer garden 'will be intimidating and unpleasant'

There was widespread agreement in contemporary accounts that profit making opportunities were better with enclosed land. Subject Headings The following terms from Library of Congress Subject Headings suggest topics, persons, geography, etc. Within the Durham County Council area, the largest settlements are , and.

## Livestock Fencing

The supports varied forms of agriculture. The project aims to assist people living in the city to share their stories about seeking sanctuary in the North East through photography, stories, poetry and music.

## Durham Castle

The roads were very poor, lawlessness was rife and standards of public health deteriorated badly. Some but not all of these enclosures took place with local agreement.

## **The Industrial Revolution**

Here limestone was quarried, and there were deposits of coal available at intervals between Consett and South Shields.

## **Durham**

This led to a series of government addressing individual regions, which were given a common framework in the Inclosure Consolidation Act of 1801. The oldest part of the castle still largely intact is the Norman Chapel, built in 1080.
