## Atmospheric River: Heavy Rains Fall Across Bay Area; Snow Reported In Sonoma, Santa Clara Counties

Railroad tracks, bridges and even paved roads did not exist here at this time and not for decades later.

## Sailing on the 1891 Scow Schooner Alma at San Francisco Maritime National Historical Park!

You can visit her and many other historic ships at the park. However, any edits to the image should be based on the original TIF version in order to prevent generation loss, and both versions should be updated.

### San Francisco: Wrong

While principally designed as sailing vessels, scow 3. An SF Bay sunset cruise is the perfect way to liven up your weekend. The crew then filled the vessel with sand, racing against the turn of the tide.

### Scow Schooner Alma Historical Marker

Before roads and trucking made shore installations easily accessible, literally hundreds of these vessels plied their business on San Francisco Bay as well as all major waterways of the United States from Colonial times through the 20th century. During those days, Alma hauled 110-125 tons of shell per week to Petaluma, California, where it was ground and used for chicken feed. The scow is also the basis for the or, on the Chesapeake, the , a cabin houseboat once common on American rivers.

### WebSight Design

Choose an intimate private charter for a San Francisco sunset cruise on the charming, all wood Grand Banks,. Her rig may see use in another scow when restored. Can you tell from my smile how excited I was? Saying no will not stop you from seeing Etsy ads, but it may make them less relevant or more repetitive.

### Alma History

The basic scow was developed as a flat-bottomed barge ie a large capable of navigating shallow rivers and sitting comfortably on the bottom when the tide was out. Still sailing, the Alma is now part of the historic fleet of vessels at the San Francisco Maritime National Historical Park at the Hyde Street Pier.

### **WebSight Design**

Here on San Francisco Bay, we also have an excellent example of this type of home-grown craft: the scow schooner. Browse through others' experiences to hear what they have to say about their time aboard the Schooner Gas Light.
