He'd been in a submarine that was refitting in the Malta dockyard, and they'd needed him here urgently to join another - E. But given that decision to make again now - if he were back in Miss Keyser's private hospital in Grosvenor Gardens and Sarah in that funny little green hat had been asking 'Sister Agnes', 'Let me have him now? Where would she have been, Nick wondered, a couple of months ago, when Goeben had come crashing out of the Dardanelles and caught everyone with their trousers down? He seems to get lost in the minutiae of the story at the expense of the fast paced drama in the previous two books. Cruickshank called, 'Bearing on now! But alongside the oiler in Malta they'd been expecting some important personage to arrive on board - a general, or a politician - and what had turned up had been this outsize but otherwise very ordinary RNR lieutenant.

It must be said that I have always been a bit hazy about the war against the Turks in World War I. It is vital that she is destroyed, and the plan is to send an E-class submarine in through the Dardanelles to sink her unawares. He served with distinction as gunnery and torpedo officer of HM Submarine Seadog during World War Two.
