Development of the model system to ensure that the results for different groups are better presented is costly and would take several years.

## Rice Seeds

The Gender Equality Council report furthermore gives little or no attention to the symbolic level of analysis, especially to the gendered connotations of what cars, movement, and mobility mean. INTEGRATION OF GENDER EQUALITY INTO TRANSPORT POLICY AND PRACTICE This project was funded by the Swedish Road Administration.

## Sharing the responsibilities: the roles of the government

Beslut vid regeringssammanträde 94-11-10. Only the most rigorous market segmentation modeling practices can help to answer important questions such as what the markets are for local travel modes and what attitudes and preferences drive each market segment's choice for local travel options.

## Sharing Responsibility

Perhaps this is even an area of work where your expertise led to your promotion. Increasing road traffic, leading to congestion and poor air quality, is a significant problem in parts of Great Britain, especially in urban areas during peak hours. The transport agencies are also carrying out different kinds of surveys to present the share of men and women on executive boards and in other decision-making groups.
