Resumen I developed a resource to aid people going through reentry and reverse culture shock after returning from long stays abroad. In 1970 he was awarded the for his research in and the Man'yōshū, and in 2013 he received the.

Mindai yōeki seido no tenkai / Yamane Yukio cho.

Resumen Nowadays the companies want to make sure that they have strong resources that can face the rapid changes in the environment. This research is based on the decoration of the traditional wooden buildings, built in Edo Period, in Kanto and Kansai areas, and discusses the various presentations and contents through decorative subjects, structural locations or spatial functions. By adapting them into life experiences, the religious rites can bridge the religion, the mind and the body effectively and efficiently.
