After the War

There was a massive, swift, and beneficial switch from a wartime economy to peacetime prosperity; resources flowed quickly and efficiently from public uses to private ones. Greenbacks were issued over a 5 year timeframe in two forms: Demand Notes, issued in 1861 and 1862, and United States Notes issued in 1862 and 1865.

Naturalization through active-duty service in the Armed Forces during World War I, World War II, Korean hostilities, Vietnam hostilities, or other periods of military hostilities a Requirements Any person who, while an alien or a noncitizen national of the United States, has served honorably as a member of the Selected Reserve of the Ready Reserve or in an active-duty status in the military, air, or naval forces of the United States during either World War I or during a period beginning September 1, 1939, and ending December 31, 1946, or during a period beginning June 25, 1950, and ending July 1, 1955, or during a period beginning February 28, 1961, and ending on a date designated by the President by Executive order as of the date of termination of the Vietnam hostilities, or thereafter during any other period which the President by Executive order shall designate as a period in which Armed Forces of the United States are or were engaged in military operations involving armed conflict with a hostile foreign force, and who, if separated from such service, was separated under honorable conditions, may be naturalized as provided in this section if 1 at the time of enlistment, reenlistment, extension of enlistment, or induction such person shall have been in the United States, the Canal Zone, American Samoa, or Swains Island, or on board a public vessel owned or operated by the United States for noncommercial service, whether or not he has been lawfully admitted to the United States for permanent residence, or 2 at any time subsequent to enlistment or induction such person shall have been lawfully admitted to the United States for permanent residence.

Wages, and Labor Markets Before the Civil War

Note the slight but critical change between Demand Notes vs simple Legal Tender Notes from before and after 1862.

Stop! What's that sound: How the Vietnam War changed American music

The strategy used cotton as leverage by torching as much as 2. This was highlighted in 1863 with the arrival of the , which was named after Emile

Erlanger and Company, a French banking house. Millions of returning GIs were processed through California depots and de-embarkation centers.

The horrific spike in whiskey during the Civil War, in one chart

Civilians and Union soldiers alike were lured by the promise of cotton wealth and were inspired to go South both during wartime and after the war ended.

How the Modern Stock Market is Affected by War

Rather than pay usurious high interest rate loans that foreign banks were charging at the time e.

Wartime Periods

The real miracle was to reallocate a third of the total labor force to serving private consumers and investors in just two years.
