Small States Centre of Excellence - Events  
The Commonwealth Small States Centre  
of Excellence will support, coordinate and

convene a number of events and platforms for distilling small states development challenges and priorities, including the identification of practical solutions to catalysing growth. The situation of Haiti reflected the link between peace, security and development.

### About Us

He requested the Council to schedule a day each year dedicated to the consideration of the peace and security challenges facing small island developing States.

### Gender

Given their size, the interests of small island developing States were frequently set aside in global forums. Just recently the Polynesian Leaders Group issued a declaration accepting that climate change and its adverse impacts were a threat to their territorial integrity, security and sovereignty. ANOTE TONG, President of Kiribati, welcomed what she called the growing momentum of acknowledging the magnitude of the security threat of climate change while expressing concern that the issue lacked global leadership and accountability and remained peripheral in the considerations of those with the capacity to address it.

### SBA Announces Grants Available for State Trade and Export Promotion

Increasing access to renewable energy was also important, as billions of people needed energy access to emerge from poverty. Climate Variability and Change and Their Health Effects in Small Island States: Information for Adaptation and Planning in the Health Sector Geneva: World Health Organization, 53 pp.

## **Nancy Davis Lewis**

Her country had suffered from transnational organized crime, which had a heavy toll on society. As for potential terrorist threats, he said that Al-Shabaab in Somalia had profited from the lack of maritime capacity in the region, used the sea lanes to bolster its position, and created profitable trades in illicit goods. His country, which shared its island with Haiti, was particularly troubled by the disruption of rainfall patterns, which were tied to the extensive hydroelectric infrastructure.

## **About SIDS**

**Partnership** We are determined to mobilize the means required to implement this Agenda through a revitalized Global Partnership for Sustainable Development, based on a spirit of strengthened global solidarity, focused in particular on the needs of the poorest and most vulnerable and with the participation of all countries, all stakeholders and all people. Commonwealth leaders can learn from the ways in which these movements work across silos.

## **Commonwealth Small States Centre of Excellence in Malta**

This recognition was made specifically in the context of LIU JIEYI China said that small island developing States represented a major driving force in realizing global peace, security and development and had become united, strong and active in the maintenance of international stability and development. In FY 2012, awardees reported a return on investment of federal funds of over seventeen-to-one.

## **Sustainable cities and human settlements**

Those States understood that reality well from their experiences. The 50 states, the District of Columbia, Commonwealth of Puerto Rico, U. Cyprus was familiar with such challenges as an island that experienced resource shortages, including a dearth of fresh water.
