The interviewees were active between the 1880s and the 1930s and represent all schools of anarchism. Their stories provide a wealth of personal detail about such anarchist luminaries as Emma Goldman and Sacco and Vanzetti.

History of anarchism

Paul Avrich is a professor of history at Queens College and the Graduate School of the City University of New York. Chaos systems theory; dynamic systems theory.

Anarchist Voices

They represent all schools of anarchism and include both famous figures and minor ones, previously overlooked by most historians.
