D' Albicis X : Albici Heller 8 pñgnando T : pugna L' : add. An idcirco vinci optandum erat, vt etiam fierent vitiosiores? Haec quo facilius 1 1 Pompeio probari possent, omnis suas terrestris turbiumque copias dimissurum. Pompeius, sive operibus Caesaris 2 10 permotus sive etiam quod ab initio Italia excedere constituerat, adventu navium profectionem parare incipit et, quo facilius impetum Caesaris tardaret, ne sub ipsa pro- 3 fectione milites oppidum irrumperent, portas obstruit, vicos plateasque inaedificat, fossas transversas viis praedicit 15 atque ibi sudis stipitesque praecutus defigit.
