Darling was also responsible for the cancellation of several major schemes, including a major extension to later reversed and the proposed , citing rising costs of £620 million and £486M respectively. Personalized content and ads include things like more relevant results and recommendations, a customized YouTube homepage, and ads that are tailored to your interests. On 18 October 2007, the Treasury released statistics which established that childless people on low incomes could lose up to £200 a year as a result of the changes, while parents and those earning more than £20,000 would gain money.

### Nobody's Darling

What on earth was he thinking when he announced a so-called 'reform' that has the presumably unintended effect of benefiting second home owners and buy-to-let investors, while penalising small firms, not to mention the 1. From 2012 to 2014, Darling was the chairman of the , a cross-party group that successfully campaigned for to remain part of the United Kingdom in the.

## **I Ain't Nobody's Darling**

This was not amended in Darling's 2008 budget. This stance by Darling surprised many observers, because during his tenure at the Department for Transport, he had made several statements to Parliament and the financial markets assuring them that the government regarded independence in economic regulation of the railways as essential. The acting leader of the , , put the value at £1.

## **Nobody's Darling**

Darling's pre-budget report introduced ill-judged changes to the capital gains tax system that have managed to outrage both trades unions and business. Darling joined the aged 23, in 1977. He was responsible for the which abolished the , a creation of the Labour government under the.

## **I Ain't Nobody's Darling**

In August 2014, Darling took part in and , televised debates with on the pros and cons of Scottish Independence.
