## Behind The Chutes With Micah Barnes

We had four bulls we bred in the Top 15 of the heritage. TK: In the ABBI events, 932 After Dark has been an outstanding bull from the start.

## Behind the Chutes (2004)

Miss, the first edition of Behind The Chutes? Marking the first installment of Behind The Chutes, hear from the Keliher about some of his favorite moments, what he looks for when breeding the next generation of bucking superstars, and the importance of the ABBI to the further expansion of PBR Australia. Travel with these cowboys and experience this unique lifestyle and a piece of Americana. How does this fit into your breeding program, and how do you think this is improving the crop of Australian bucking bulls? A documentary film that travels with several professional bareback riders through the rodeo circuit.

## Behind the Chutes Tour

Can you tell us a little bit about Hillbilly Deluxe? A documentary film that travels with several professional bareback riders through the rodeo circuit. With them asking the Pages and setting up a deal for us, then meeting them to do a deal to import some embryos.

## Behind the Chutes Tour

By: Kacie Albert In the sport of bull riding, there are two athletes in every out — rider and bull.

## Behind the Chutes: Troy Keliher

MR: Probably winning two buckles with two USA embryo bulls at one event after all the hard work to get them bulls to the stage to where they could compete and win. And who are a few of these bulls that have come from Page bulls? Naturally, it was what I loved.

## Behind the Chutes: Troy Keliher

You can purchase Behind the Chutes tour tickets in advance along with your rodeo general admission tickets at the link below. Lucky for us, we

bred a bull calf — Hillbilly Deluxe.

### **Behind the Chutes**

Also, 506 Mystery is now owned by Scott Maynes. The introduction of the ABBI into Australia for breeders has been a game-changer with the access to U.

### **Behind the Chutes (2004)**

Each animal has a different personality. So, starting with a small herd of females over the years, and grew it to where we are today. All of these things are so helpful in the training of a bucking bull.
